- Design services
- Free estimates
- High quality materials
- High quality workmanship
- Fully insured
- Everything to your satisfaction

"Rich-Line Builders did an excellent job for us. They were always available to answer questions, and adapted well to any changes we wanted. Troy and his crew worked efficiently and offered good advice whenever we asked. They worked well with all of the subcontractors and kept them on a timely schedule. We would recommend Rich-line Builders to anyone interested in doing a home construction!"

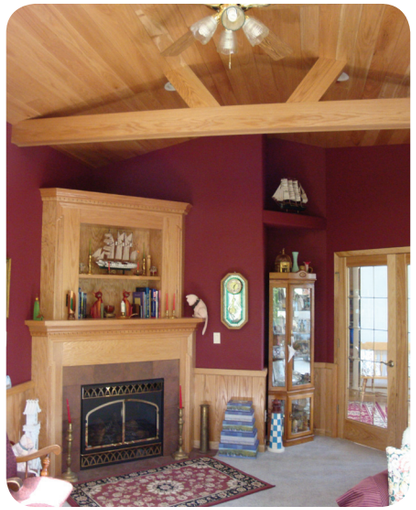
SERVING SHEBOYGAN COUNTY AND SURROUNDING AREAS FOR

OVER 40 YEARS

Cedar Grove, WI 920-994-9811 www.richlinebuilders.com



Building a new home

is one of the biggest investments of your life. With **over 40 years of experience**, our pride is not only in our workmanship but also in honesty, integrity and customer service. A happy and satisfied customer is the best advertising we can possibly get, and good communication is the best way to achieve exactly what you want in your new home.

Rich-line Builders works closely with our customers from planning stage to move-in day. We make it an enjoyable experience by custom building to your needs, and by using **top quality materials** from area suppliers and subcontractors. Efficient tools, equipment and machinery are only part of the picture. We take great pride in our team – employees, subcontractors and suppliers – for their continued **high quality and attention to even the smallest of details.**
